We, Jain Plasto Pack are a renowned name in the Indian Plastic Industry engaged in manufacturing and supplying a range of Plastic sheets, Pot Planters, Crates, seedling trays and other Plastic Products.

About Us

Established in the year 1988, Shree Group (also reputedly known as Shanti PolyPlast and Shree Plastics-Mumbai) is a pioneer in the Indian Plastics industry processing tens of tonnes of plastics each day. From major raw materials to different plastic sheets to various plastics products the group firms manufactures them all. Having 7 manufacturing units and 3 major plants across Maharashtra and Silvassa including 3 major factories in Mumbai, Thane and Silvassa with a total manufacturing area of more than 50000 sqft in the center of Industrial zones, the group production capacity is more than 1000 MT per month. Moreover, the group possesses expert understanding of various plastics as the group firms are engaged in various production methods - be it injection moulding, sheet extrusion, thermoforming/ Vacuum forming or recycling.

Promising quality: With respect to quality, Jain Plasto Pack believes and ensures highest quality of products. Infact, we don't sell products if we are unconvinced about the high quality standards. The products/raw material we procure are only from trusted vendors whom we had a relationship with over the years. So also, each lot of our products undergoes stringent quality control measures before being dispatched. **Industries served with our plastics :**
